Magic Bus India Foundation Girls Empowerment Programme Report

Program Framework

The Magic Bus Young Girls Empowerment Programme aims to provide life skills, employability education, and placement opportunities in entry-level grey collar jobs within the service sector. This program is strategically located across five key operational hubs in India, namely Coimbatore, Indore, Raipur, Delhi (Shaheen Baug), and Chandigarh. The programme targets young undergraduate girls aged 18 to 25, with a program duration from March 2023 to March 2026.

Visualizing our expansive reach: This map illustrates the 'Centre Location' for our Outreach Program Framework, highlighting key operational hubs across India, including Bangalore, Bhubaneswar, Chennai, Hyderabad, Jaipur, Kolkata, Lucknow, and Mumbai.

Overview

The Girls Empowerment Programme has made significant strides in Phase II, running from April 2025 to December 2025. The programme set ambitious enrollment and placement targets across five locations. As of the third quarter, enrollment figures have reached an impressive 87% of the target, with a total of 1,589 young women enrolled. The training and placement phase has also shown notable success, with 769 individuals placed, achieving an 87% placement rate.

Enrolment – Target vs Achieved

The programme's enrollment performance across the five locations has surpassed expectations in several areas:

- **Coimbatore:** Target - 365, Achieved - 369 (101%)
- **Indore:** Target - 365, Achieved - 417 (114%)
- **Raipur:** Target - 365, Achieved - 271 (74%)
- **Delhi (Shaheen Baug):** Target - 365, Achieved - 335 (92%)
- **Chandigarh:** Target - 365, Achieved - 220 (60%)

This demonstrates a strong mobilization and outreach effort, particularly in Coimbatore and Indore, where the targets have been exceeded.

Enrolled and Dropout

The enrolment data also reveals dropout rates which have been managed effectively to maintain high participation levels:

- **Coimbatore:** Enrolled - 369, Dropout - 2
- **Indore:** Enrolled - 417, Dropout - 8
- **Raipur:** Enrolled - 271, Dropout - 13
- **Delhi (Shaheen Baug):** Enrolled - 335, Dropout - 18
- **Chandigarh:** Enrolled - 220, Dropout - 26

Efforts to minimize dropout rates have included pre-enrollment counseling and continuous mentoring.

Gender Ratio

The programme has also focused on maintaining a balanced gender ratio, which is crucial for achieving its empowerment goals. The current gender distribution is:

- **Coimbatore:** Female - 216, Male - 153
- **Indore:** Female - 286, Male - 131
- **Raipur:** Female - 203, Male - 68
- **Delhi (Shaheen Baug):** Female - 210, Male - 125
- **Chandigarh:** Female - 157, Male - 63

This distribution highlights the programme's effectiveness in reaching its target demographic of young women.

Challenges and Mitigation

The programme has encountered several challenges, which have been addressed with targeted mitigation strategies:

- **Mobilization & Enrolment Challenges:** In Indore, there was initial hesitancy from families to allow their children to join the workforce. Mitigation involved pre-enrollment counseling for participants and families, along with continuous mentoring and flexible batch timings.
- **Participation Challenges:** Irregular attendance was noted due to household responsibilities, health issues, or seasonal work. This was mitigated through regular attendance tracking and motivational sessions.
- **Job Readiness Challenges:** There was a mismatch between participants' qualifications and the skills required for certain jobs. The programme addressed this through focused employability training and market orientation sessions.

Impact Stories

Mohini Tiwari

Age: 19

Educational Qualification: 12th

Organization: Taurus BPO Pvt. Ltd.

Position: Customer Care Executive

Salary: INR 15,704

Date of Joining: 26-03-2026

Mohini Tiwari, from Indore, exemplifies determination and discipline. Despite starting with limited opportunities, she secured a role at Taurus BPO Pvt. Ltd., where she is a dedicated Customer Care Executive earning INR 15,704 monthly. She has always aimed to support her family and become independent, and her journey reflects the power of hard work and perseverance.

Supporting career development, this impact story highlights a beneficiary at TAURUS BPC, underscoring the tangible outcomes of our program in fostering professional growth and opportunity.

Shrasthi Solanki

Age: 20
